Partners Across The West

# Glenn Vawter

## Northwest RAC Member

Glenn represents category 1, energy and mineral interests. Glenn was appointed to his first term on the NW RAC in 2008.

He is currently Executive Director of the newly formed National Oil Shale Association and lives in Glenwood Springs. He also works as a consultant for EGL Resources, which was originally awarded one of the five RD&D oil shale leases in western Colorado in 2006.

He is a western Colorado native and a petroleum engineer from the Colorado School of Mines. Glenn has more than 20 years experience specifically in oil shale research and development, along with a background in mining and oil and gas development.
